EDITORIAL COMMENT

known throughout Scotland as The Pars, and was soon taken along to East End Park, home of the Athletic and where many great Scottish Cup and European games were played.

I followed the Pars for the 20 years I was down in Fife, through promotions and relegations and was lucky to be around in the Leishman era, a true football person who just loved the football club.

When I decided to return to Inverness in 1992, I bade farewell to East End Park and came back to follow my first love, Caledonian FC.

I became Programme Editor while Caley were still in the Highland League and when the club decided to join forces with local rivals Inverness Thistle to gain admission to the Scottish League, I hoped that one day in the near future we might meet the Pars on league business.

This season that hope was to turn into reality as Caley Thistle's progress up the divisions and Dunfermline's relegation from the Premier League meant we would meet for the very first time.

The first match in the Bells First Division for Caley Thistle was to be at the newly-refurbished East End Park - a dream fixture.

The result that Saturday wasn't the best but just seeing Inverness Caledonian Thistle FC playing at East End Park was a dream come true for me.

This afternoon we warmly welcome the Pars to the capital of the Highlands and also to Caledonian Stadium and I hope, on this occasion, I will be celebrating an ICT win.

Bryan Munro

IN 1972, I left Inverness to go and work in Dunfermline. I had served my apprenticeship with the Highland Herald in Friars Street, a weekly newspaper, and moved to Central Fife to work for the Dunfermline Press, a much bigger weekly newspaper.

I was surrounded by workmates who supported Dunfermline Athletic,

STEVE PATERSON

Our first away league win of the season last Saturday at Brockville was very pleasing indeed and in the process I thought we played extremely well and in the end thoroughly deserved to take the three points.

I thought we were very unfortunate to lose the game the last time we met in Inverness and to go to Brockville and win shows that we are now beginning to come to terms with the pace of the First Division. We are notoriously slow starters and take time to adjust to a higher level of football.

Having beaten one of the teams tipped for promotion we now have to face the team who are tipped to go on and win the championship, Dumfermline Athletic.

The Pars inflicted our heaviest defeat this season when we met in August at East End Park but we learnt quite a lot from that game and I'm sure that today's game will be a lot closer.

Since our last meeting they have brought in a number of new players and before last Saturday's draw with Airdrie they were sitting at the top of the table, so they are a team who are playing well. We're expecting to get a result this afternoon so get right behind the lads. Enjoy the match!

MARK McCULLOCH

Welcome to this afternoon's league match against Dunfermline. Since our last home league game we have played Airdrie away in the league, Motherwell in the League Cup and Falkirk away in the league. The Airdrie game saw us draw 1-1 and I thought we deserved all three points but we were denied by some great goalkeeping by Scott Thompson. We were also very unfortunate in our League Cup defeat by Motherwell. We played very well but yet again we were denied a win by some great goalkeeping from Andy Goram. The Falkirk game was a great result and over the 90 minutes we deserved to take the three points. The first half went well and we went in at half-time 1-0 up although it should have been two or three with Kevin Byers and Barry Wilson squandering some good chances. The second half saw us have a couple of lucky escapes but we were probably due that and once they had a man sent off we put them under more pressure and it eventually told when Dennis Wyness put Scott McLean clear into acres of space in the six-yard box and he did the rest. Today's game against Dunfermline gives us a chance to see how far we have come this season as I don't think we did ourselves justice in the 4-0 defeat at East End Park and I'm sure we will be better prepared for them this time around.

Quote:
"We've started the second quarter with three points and we must try and build on this to get more positive results" - Mark

Last Saturday was red-card day in the Division with no fewer than seven players heading for an early bath. Inbetween all this activity, there were some excellent games played with St Mirren returning to the top of the league after a last minute goal by Tommy Turner ensured a 3-2 win over Raith Rovers. Today's opponents Dunfermline, fought out a no-scoring draw against Airdrie while Livingston had a comprehensive 4-1 home win over Ayr United. In the final game of the day, Clydebank were defeated 3-1 by Morton after leading for most of the first half. Best crowd of the day was at East End Park where 3964 were in attendance.

Michael

Name: MICHAEL JOSEPH
TEASDALE.

Position: Defender.

Height: 6' 1"

Weight: 13 st. 5 lbs.

Clubs: Elgin City, Dundee.

Recently became the third Inverness CT player to make 150 appearances. A tremendous signing for the club and playing better than ever at the heart of the ICT defence. Made his debut for the club in an Inverness Cup Final against Ross County at Grant Street Park, scoring a goal. Was the Matchday Programme Player of the Year in Season 1996-97.
Fact: Has the distinction of being the only player to have played for the club to have gone through two seasons as an ever-present in the side - Seasons 1996-97 and 1998-99.

Did you play football for your school team? If so, what was the school and name the position.

I was always playing football as a boy and played for East End Primary and then Elgin Academy and my position was centre forward.

What were your best and worst subjects at school?

My best subjects were Maths, PE and Technical Drawing and I would have to say English was my worst.

Your best moments in football so far?

That would have to be winning the Third Division Championship.

Sports you play apart from football?

I don't really play any other sports. I'm what you might class as a sports watcher.

What sports do you most dislike?

I dislike snooker and darts. I don't regard either of them as sports - to me they are just pub games.

Favourite foreign player/s playing in British football and why?

Swedish internationalist at Celtic Park, Henrik Larsson. Apart from playing for Celtic, he's just a terrific striker, knows where the goal is.

Favourite Sports Programmes?

Soccer AM (no t just for Helen).

Who do you rate as the best TV soccer pundit and why?

Probably Andy Gray. He is totally honest and very, very enthusiastic.

If you could present a TV sports programme what one would it be?

Soccer AM. Just to sit near Helen every Saturday morning.

CIS Insurance League Cup, 3rd Rd.
INVERNESS CT 0, MOTHERWELL 1

They may be in the Premier Division but Motherwell were extremely lucky to have left Inverness with the win and to move into the 4th Round of the CIS Insurance League Cup.

The home side had numerous chances and ex-Scotland internationalist Andy Goram was once again on top form with three breathtaking saves plus countless other interventions throughout the 90 minutes. The only goal of the game arrived three minutes into the second half when Pat Nevin showed some of his wing wizardry as he jinked away from Ross Tokely out on the left and his beautifully flighted ball was headed home by McCulloch.

ICT pressed for an equaliser and Barry Wilson, Dennis Wyness and Ross Tokely all came close but at the end it was the Steelmen who came off the field mightily relieved to have secured a one goal win. ICT: Fridge, Tokely, Hastings, Teasdale, McCulloch, Sheerin, Wilson, Glancy, Wyness, Christie, Golabek (Byers). Subs: Bavidge, McLean.

Motherwell: Goram, Doesburg, McMillan, Thomas, Brannan, Teale, Spencer (Halliday), Valakari, McCulloch, Townsley (Goodman), Nevin. Sub: Craigan.

Scorer: McCulloch (48).
Referee: Mr S. Dougal. **Atten.:** 2195.
Man of the Match: Ross Tokely.

Moment of madness helps sink Falkirk

Saturday, 16th October 1999
Brockville Park

Bells First Division
FALKIRK 0, INVERNESS CT 2

Caley Thistle gained revenge for an early season defeat by the Bairns in Inverness and also celebrated their first away win of the season in the league as they dumped a Falkirk side who were reduced to 10 men midway through the second period.

Charlie Christie was missing from the team that lost to Motherwell and he was replaced by Kevin Byers with Bobby Mann finding a place on the bench.

The visitors got off to a great start after nine minutes when the Bairns' Scott Crabbe deflected a Dennis Wyness cross past his own keeper into the net.

The home side were reduced to 10 men when McQuilken took a swipe at Martin Glancy and was quickly sent off.

Substitute Scott McLean made the points safe for Caley Thistle when a Dennis Wyness through ball was taken by the hitman and from six yards he fired the ball away from Hogarth to make sure the three points were on their way up the A9 at 4:45 pm.

Falkirk: Hogarth, McKenzie, McQuilken, Lawrie, Sinclair, Nichols, Morris (Seaton), McDonald (Pearson), Crabbe, Hutchison (Rennie), Hagen.

ICT: Fridge, Tokely, Hastings, Teasdale, McCulloch, Sheerin, Wilson (Bavidge), Glancy (McLean), Wyness, Byers, Golabek. Sub: Mann.

Scorers: Crabbe (9 og), McLean (84).
Referee: Mr J. McCluskey. **Atten.:** 2403.

What the Newspapers reported . . .

v. **MOTHERWELL.** *The P&F:* "Caley Thistle's hopes of progressing to a second successive cup final were ended after a brave display against Motherwell last night. Caley Thistle gave their Lanarkshire visitors a run for their money but a second-half header by striker Lee McCulloch was enough to end the Highlanders' 100% cup record this season."

v. **FALKIRK.** *The Sunday Post:* "Lowly Inverness Caley turned in an excellent display to dump 10-man Falkirk in the lead, Falkirk's job was to despatch an Inverness side who show far greater promise at home than they do on their travels. Predictions, however, can be misleading, and perhaps inspired by the near locality of Bannockburn but certainly aided by Crabbe and McQuilken, it was the home side who were put to the sword by the Highland visitors."

The Scotland on Sunday: "Sitting five points off the lead, Falkirk's job was to despatch an Inverness side who show far greater promise at home than they do on their travels. Predictions, however, can be misleading, and perhaps inspired by the near locality of Bannockburn but certainly aided by Crabbe and McQuilken, it was the home side who were put to the sword by the Highland visitors."

Quote: "I'm delighted to get our first away win. In the first quarter of the season we weren't getting the rub of the green but today we got it." - Manager Steve Paterson.

RESERVE TEAM NEWS

*East of Scotland Reserve League ... Wednesday, 29th September 1999
Caledonian Stadium ... INVERNESS CT 2, RAITH ROVERS 2*

This was a good test for our Reserve side as Raith were a strong team. We started very well with Martin Glancy and Martin Bavidge causing their defence problems with the latter scoring two well-taken first-half goals. Two bad late second-half goals, one a penalty, gave the Rovers a share of the points. Overall we were in control of the game apart from some sloppy play in the final 15 minutes of the match.

ICT: Calder, Cherry, Hodge (J. MacDonald), Allan, Mann, Kellacher, Farquhar (G. Stewart), Glancy, Bavidge, Golabek (Craig), Robson.

Scorer: Martin Bavidge (2).

*Second XI Scottish Cup ... Saturday, 2nd October 1999
Cliftonhill Stadium, Coatbridge*

It is always good to get off to a good start in the cup as this was our first experience in this competition and as the score shows we were well on top throughout. However, the Rovers team, who were all Under-18, played some lovely passing football. There were some fine goals, especially from Graeme Stewart and David Craig but the Man of the Match must go to the hard-working youngster, Neil MacDonald who had a tremendous game.

ICT: Calder, Hind, J. MacDonald (Munro), Allan, Mann, Cherry, G. Stewart, Kellacher (Lowe), N. MacDonald, Farquhar, Craig.

Scorers: Graeme Stewart (4), David Craig (3), Paul Cherry (2), Andrew Allan, Scott Kellacher, Neil MacDonald.

*East of Scotland Reserve League ... Tuesday, 5th October 1999
Caledonian Stadium ... INVERNESS CT 1, DUNFERMLINE ATHLETIC 3*

This was our stiffest test of the season against Jimmy Nicholl's well-organised team which had Hamish French playing a major part in midfield. After a shaky start where we went a goal down we started to play some good passing football. Paul Cherry, returning to match fitness, scored a good equaliser before we lost two bad goals at the start of the second half. This was a good, even match as both teams fielded strong sides as there were no games on the Saturday.

ICT: Calder, Tokely, Golabek (Allan), McCulloch, Mann, Cherry, Wilson (Byers), Farquhar (Kellacher), Wyness, Sheerin, Glancy.

Scorer: Paul Cherry.

*East of Scotland Reserve League ... Saturday, 9th October 1999
Bayview Stadium, Methil*

EAST FIFE v. INVERNESS CT 4

The players enjoyed playing at East Fife's ground as it had a lovely playing surface which showed especially by our first half performance. We started well with some lovely passing football from midfield with Gary Farquhar and Kevin Byers controlling the play. Paul Cherry and Man of the Match Stuart Golabek provided great support to midfield and attack. All the goals were well-taken with the best coming from a fine solo effort from Scott McLean.

ICT: Ridgers, Cherry, Golabek, Munro, Mann, Byers (J. MacDonald), G. Stewart, Farquhar (Hind), Bavidge, Glancy (N. MacDonald), McLean.

Scorers: Scott McLean (3), Martin Glancy.

(Our thanks to Reserve Team boss, John Docherty for match information).

■ In the next round of the Second XI Scottish Cup, Inverness CT have been drawn away from home against East Fife.

■ We will bring you more reports in our next matchday programme, starting with the away fixture at Gayfield against Arbroath, ICT winning 1-0.

ICT YOUTH NEWS

in the match and ICT's goals came from Juan Phyfer and a brace from that man Lewis MacKinnon.

The team pool for all these opening fixtures were:

R. Taylor, S. Barlow, J. Phyfer, R. MacDonald, M. Caldwell, A. Bochel, R. Knox, G. Chisholm, L. MacKinnon, A. Urquhart, B. Sutherland, A. MacPherson, L. Davidson, M. McInnes and E. Campbell.

In these games they use rolling substitutes which means players can come off the pitch and re-appear at any time during the duration of the game.

Over the last two weeks Duncan Shearer, ably assisted by members of the ICT coaching staff plus many of the first team player pool have been involved with coaching boys and girls at the very popular Hotshots Fort-night. Once again all the youngsters had a tremendous time and hopefully they learnt from all the coaching and will enjoy their football even more.

UNDER-14 YOUTH DEVELOPMENT INITIATIVE

The Under-14's began their season with a trip to play Motherwell and came away from their journey south with a creditable two each draw. They played some good football throughout and a brace from Lewis MacDonald enabled them to take a point against Airdrie and were well beaten by four goals to one with Lewis McKinnon grabbing the ICT goal. A week later and fortunes changed with a 3-1 win over Dunfermline Athletic at Bught Park. The youngsters all performed very well

Once again all the youngsters had a tremendous time and hopefully they learnt from all the coaching and will enjoy their football even more.

UNDER-16 NORTH EAST GIRLS LEAGUE

In what proved to be a one-sided affair, ICT Girls maintained their 100% start to the season with an emphatic win over Fraserburgh at Lossiemouth to give them their second win in as many outings.

Playing an attractive brand of football with some excellent one-touch inter-changing the match opened with a four-goal burst inside seven minutes. From that point things got gradually worse for the Bellslea side and they went in at the interval 9-0 down. The second-half was more of the same with ICT virtually camped inside their opponents half. In the end it was a very comprehensive win with four players

WELCOME TO DUNFERMLINE

THIS afternoon we give a very warm welcome to Inverness and to Caledonian Stadium for the first time on league business, to the officials, management, players and supporters of Dunfermline Athletic FC. Our first meeting in August was won by the East End Park side and since then a series of excellent results has enabled them to move into second position in the league. With a strong squad on show we're quite sure that we will see an excellent game of football today.

IAN WESTWATER.

Goalkeeper.

Former Scotland Youth international goalkeeper. Joined the Pars in 1985 for £40,000, left to sign for Falkirk and Dundee and returned to East End Park in 1994.

ANDREW TOD.

Defender.

Signed from Kelly Hearts in 1993 and has now made over 200 league and cup appearances. Dangerous at set pieces, he has also played in midfield and up front.

CRAIG IRELAND.

Defender.

Joined the club in February '96 from Aberdeen for a fee of £70,000. He is a strong tackling defender who is dangerous at set pieces in the opposition penalty area.

BRIAN REID.

Defender.

Signed during the summer in a bid to bring in an experienced defender to bolster Pars rear-guard. Has played for Morton and Rangers and returned to Scotland after a very short spell in England.

JOHN POTTER.

Defender.

A recent signing for the Pars. Went straight into the first team when skipper Andy Tod was injured. Product of Celtic's youth policy.

EDDIE MAY.

Defender/Midfield.

Former Hibs, Brentford, Falkirk and Motherwell player who was released from Fir Park in the summer. Signed for the Pars and has slotted into the full back slot vacated by Greg Shields.

SCOTT THOMSON.

Defender/Midfield.

Signed on a three-year deal under freedom of contract from Raith Rovers during last summer. At one time he played with Aberdeen.

JASON DAIR.

Defender/Midfield.

He was "stolen" from a hard up Raith Rovers for £20,000 last season. He was part of a £1m transfer to Millwall with Steve Crawford but returned to Raith in 1997.

JAMIE DOLAN.

Midfield.

Brought to East End Park from Dundee United in February. A wholehearted and strong tackling midfielder. Spent 10 years at Motherwell before his move to Tannadice.

DAVID MOSS.

Midfield.

Big, strong-tackling midfielder who was signed from Falkirk for £120,000. Has also played for Partick Thistle. Has a tremendous scoring record and should be an important player for the Pars this season.

JUSTIN SKINNER.

Midfield.

Another new signing this season, he came to East End Park from Hibs at the beginning of September in an £80,000 deal. A cultured midfielder who provides defence-splitting passes.

CHRIS MCGROARTY.

Midfield.

A product of the Pars youth policy, he's a real crowd pleaser who operates a traditional role on the left wing and he is willing to take on the opposition. Man of the match when the two sides last met in the league.

HAMISH FRENCH.

Midfield/Forward.

Signed from Dundee United for a fee of £150,000 in October 1991 and he is the Pars' second longest serving player. Honest and hard-working he has a great eye for goal.

STEVEN HAMPSHIRE.

Midfield/Forward.

Dick Campbell's latest recruit is an attacking player who has signed a three month on-loan deal from English Premiership side, Chelsea.

STEWART PETRIE.

Forward.

Signed from Forfar Athletic in August 1993 for £70,000. His wide role seems to suit the Pars present set-up and his driving runs always have the potential to cause havoc.

ANDY SMITH.

Forward.

Considered by many to be one of Bert Paton's best buys, he was snapped up from Airdrie in July 1995. A prolific goalscorer who has played for the Scotland B team. Sent off last week.

DAVID GRAHAM.

Forward.

Youth striker who signed for the club from Rangers for a fee of £200,000 in Nov. 1998. Has won several Scotland Under-21 caps. Still 21, he is a great prospect for the future.

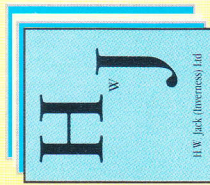

OWEN COYLE.

Forward.

Many were surprised when he decided to opt for Dunfermline ahead of other offers, particularly when Dunfermline were in relegation trouble. A skilful and talented player he is a former Republic of Ireland internationalist. Sent off last week.

CRAIGMORIE
HOTEL
Restaurant · Leisure Sports

Our Chardonnay Restaurant has an enviable reputation for serving some of the best game and seafood in Inverness, and our menu also reflects the fact that so much excellent produce is readily available, grass fed Aberdeen Angus, venison and game birds from the hills, all presented with beautifully crafted sauces, complemented by a fine wine cellar. It's the attention to detail that matters to us.
